43 Morningfield Mews
Aberdeen AB15 4ER
A secured main entrance door leads into a grand entrance hallway featuring ornate plaster cornicing and a carpeted staircase with an attractive Oak banister. The spacious apartment offers a blend of both traditional and contemporary design featuring attractive walnut effect wood flooring in most rooms. A split level entrance hall with steps leads down to the main living accommodation. Double doors with glazed panels lead off the hall into the spacious lounge with two large windows. The kitchen is fitted with a modern range of beech effect base and wall units with coordinating worktops and integrated appliances. The Master Bedroom is extremely spacious with two large deep silled windows and ample room for free standing furniture. The second double bedroom has a built in wardrobe and the Bathroom is well appointed with a mains shower over the bath. Set within delightful, well tended grounds, the landscaped gardens, this is a highly appealing and most unusual property within a most desirable area and therefore early viewing is genuinely recommended. Further benefits include gas fired central heating system and double glazed windows.

We are delighted to offer for sale this striking two bedroom first floor executive apartment, located within a small exclusive development in the heart of the west end of the City. The apartment forms part of an imposing “Category C” granite listed Victorian former hospital building which was renovated to a high standard with many of the traditional features being retained including full height ceilings, deep window sills and ornate plaster cornicings.
